In re:

CASE NO. **BK-N 09-51899-GWZ**

RAY M. BACHMAN
SHANNON L. BACHMAN,

CHAPTER 13

Debtors.

ORDER CONFIRMING CHAPTER 13 PLAN

Hearing Date: August 14, 2009
/ Time: 2:00 p.m.

The Debtors' Chapter 13 Plan and Motion to Value Collateral having been served on all parties in interest and the Court finding, after proper notice and an opportunity for hearing, that the Debtors' plan satisfies all of the requirements of 11 U.S.C. § 1325, all pending objections having been resolved, and for other good cause appearing;

IT IS ORDERED that the Debtors' Chapter 13 Plan is confirmed.

IT IS ORDERED that there being no objection to the Debtor's compliance with 11 U.S.C. § 521(a)(1) the Court finds that the Debtor has filed all information necessary to proceed with the administration of this Chapter 13 case.

IT IS FURTHER ORDERED that except as otherwise provided for in this order or any other applicable order the Court values any collateral described in the Debtors' Chapter 13 Plan as estimated by the Debtors in the Plan and

that the interest rate proposed to provide the secured creditor with the present value of its claim satisfies 11 U.S.C. § 1325(a)(5)(B)(ii).

IT IS FURTHER ORDERED that the Debtors' proposed assumption of executory contracts and unexpired leases as set forth in the Debtors' Chapter 13 Plan are approved. All executory contracts and unexpired leases not provided for in the Debtors' Chapter 13 Plan are rejected.

IT IS FURTHER ORDERED that the Standing Chapter 13 Trustee shall file and serve a Notice of Intent to Pay Claims on all parties in interest after the expiration of the time allowed to file proofs of claim. Objections to the Trustee's Notice of Intent to Pay Claims shall be filed, served, and set for hearing by the objecting party within thirty (30) days following service of the Trustee's Notice. In the absence of an objection to the Trustee's Notice of Intent to Pay Claims, the proposed distributions set forth in this document shall be final. Unless the Court orders otherwise after notice and hearing, the Trustee shall make no distributions to any claim filed after the time allowed for filing such claims as set forth in Fed. R. Bankr. P. 3002 and 3004 and the Debtors' Plan. The time period for the Debtors to file a proof of claim set forth in Fed. R. Bankr. P. 3004 is extended until (30) days following service of the Trustee's Notice of Intent to Pay Claims.

IT IS FURTHER ORDERED that to the extent distributions have not been made to the holder of an allowed claim, objections to the allowance and payment of any claim may be filed at any time before the Debtor is discharged.

IT IS FURTHER ORDERED that the Debtors shall provide immediate written notice to the Clerk of the United States Bankruptcy Court and the Chapter 13 Trustee of any change of address.

IT IS FURTHER ORDERED that the debtor shall provide immediate written notice to the Trustee of any termination, reduction of, or other material change in the Debtors' assets, income and/or employment.

IT IS FURTHER ORDERED that in the event the Plan does not continue to satisfy all confirmation requirements when the allowed amount of all claims becomes known, the Debtors shall modify the confirmed plan to satisfy all confirmation requirements. Failure to modify the plan under these circumstances shall constitute cause for dismissal under 11 U.S.C. § 1307(c).

IT IS FURTHER ORDERED that to the extent the plan does not provide for arrears on a secured claim and a proof of claim or amended proof of claim is filed indicating that arrears on the claim exist, the Trustee shall make no distributions on the claimed arrears. The Debtors will pay the arrears claim directly, amend the plan to provide for the unanticipated arrears, or object to the claim.

IT IS FURTHER ORDERED that in the event the Debtor fails to make any proposed direct payment, any proposed cure of the default shall be addressed in a plan modification and the postpetition default shall be cured by the Trustee from modified plan payments. Provided that the modification does not alter the proposed distribution to holders of other claims, the proposed modification may be submitted by stipulation approved by the Debtor, the affected secured creditor and Chapter 13 Trustee.

IT IS FURTHER ORDERED that to resolve the Trustee's objection to the amount of the fees requested by Debtor's counsel, a fee application will be filed and Debtor's counsel will seek approval of fees in accordance with 11 U.S.C. §§ 329, 330, Fed. R. Bankr. P. 2002, 2016, 2017. No distribution shall be made on the attorney's administrative fee claim until the fee application is approved after notice and hearing.

IT IS FURTHER ORDERED that, pursuant to 11 U.S.C. § 102(1) and based on facts and circumstances of this case further notice and hearing is unnecessary and pursuant to 11 U.S.C. § 1323 the plan is amended as follows:

1. In order to provide the minimum amount needed to the unsecured creditors as required by form 22c, the debtors plan payments shall increase from \$721.00 to \$912.00 beginning with the August 2009 payment for a base amount of \$54,529.00.

2. RC Willey has filed a bifurcated proof of claim in the secured amount of \$862.00 with an unsecured portion of \$1,394.109. The Debtor's plan did not provide for this creditor. The debtors intend to make payments directly to this creditor. The Trustee shall make no distribution to RC Willey on any portion of the claim.

3. Secured creditor Select Portfolio Servicing, Inc., Servicer for Wells Fargo Bank filed a proof of claim on July 16, 2009, for arrears owed on the first deed of trust in the amount of \$2,820.30. The Debtor's plan provided for arrears in the amount of \$1,294.23. The Debtors believe that the arrears are overstated and shall within thirty (30) days from the date of confirmation, file his objection to the secured claim. If the Debtor is unsuccessful or if the Debtor does not object to the claim, the Debtor shall pay the claim directly, surrender the collateral, or move to modify his Plan payments and/or the term of his Plan, to provide for the claim.
